# THEO'S EASTER FEAST

Theo's Feast is a unique dining experience that is as equally appetizing to the mind and spirit as it is to the most distinguished palate. Inspired by many of the world's most creative avant-garde chefs, thought provoking theologians, and culture shaping philosophers, Theo's Feast is a true gastronomic adventure that cleverly pairs one of a kind dishes to universal metaphors revealing timeless truths that have been a part of humanity's story from the very beginning.

You will be taken on an exceptional food tasting journey through the Biblical story of Easter. Every element of this 5 course meal has been meticulously designed to enliven your senses while provoking opportunity for a fun and enlightening conversation with your friends.

Please join us for a truly memorable spiritually inspired evening.

Sincerely,

Chef Gary Stevenson, Kelly Manire, April Nickel & Ryan Gienger.
